

# On the Market

can be used to transfer logos or other art—including grill marks—on to virtually any protein source. The company also offers Non-Cooking Spice Transfer Sheets and Dissolvable Flavor Sheets—no mixing, blending or dispensing equipment is required. CMS will work with operators to create customized transfer sheets for proprietary spice or flavor blends. To learn more, call (866) 769-1500 or visit [www.cmsflavorseal.com](http://www.cmsflavorseal.com).

**So Mini Biscuits** Who says biscuits are just for breakfast? Make them a fulfilling snack with Easy Split Southern Style Mini Biscuit Dough from **Pioneer**. Serve up both variety and value in a miniature size with no mixing, rolling or cutting required; simply bake and serve. The dough is available in Whole Wheat Honey, Sourdough and Sea Salt & Cracked Black Pepper flavors. For more information, visit [www.chguenther.com](http://www.chguenther.com) or call (800) 531-7912, ext. 6403.

**Serve Up Superfruits** Kids love unique flavors, and Musselman's new single-serve applesauces, introduced by **Knouse Foods**, fit the bill. Totally Fruit™ applesauces contain natural fruit juice concentrate and no high fructose corn syrup. Flavors include apple, peach and strawberry. The Healthy Picks™ line boasts varieties that feature the latest "superfruits"—pomegranate, cupuacu and acai—and contain no added sugar. Healthy Picks flavor options include blueberry pomegranate, key lime cupuacu and raspberry acai. Products from both lines count as a daily fruit serving. To learn more, call (717) 677-8181 or visit [www.knousefoodservice.com](http://www.knousefoodservice.com).
