Easy Frozen Apple Slushies

Directions: Place Musselman's Apple Sauce cups directly in the freezer for 4-6 hrs. (with the lids still on). Remove from the Freezer and enjoy!

- Frozen solid, the apple sauce will be cool and delicious like an Italian Ice
- If allowed to slowly melt the texture will be a spoon-able fruit slushie.
- When the cup warms to room temperature, it will return to shelf stable Apple Sauce

Include frozen Apple Sauce cups in packed lunches & it will be a cool slushie by mealtime.
