

NSA MANGO ORANGE

A Fresh Step Forward in Clean Label

Musselman's is proud to evolve our **Mango Orange Lite** offering a **No Sugar Added (NSA)** fruit juice blend — delivering the same refreshing flavor, now with an even cleaner ingredient list.

Why This Matters

1. **Clean Label Commitment** – Removing sucralose aligns with consumer demand for transparency and better-for-you options.
2. **No Sugar Added** – Naturally sweet from fruit juice concentrates, without artificial sweeteners.
3. **On-Trend for Foodservice** – Meets growing operator and guest expectations for simple, recognizable ingredients.
4. **Trusted Musselman's Quality** – Backed by over 100 years of orchard know-how and foodservice reliability.

The Bottom Line

Operators can now menu Musselman's Mango Orange with **confidence and clean-label credibility** — satisfying wellness-minded consumers without sacrificing flavor or functionality.

Leading the Clean Label Movement in Foodservice

Musselman's has always believed in keeping things simple — fruit first, ingredients you can trust. Today, the majority of our portfolio already delivers **clean-label goodness**, and we're moving full speed toward a **100% clean label future**.
